

VAMOS ACCESS MINI-GRANTS

Making the Vamos app even more accessible

VAMOS ACCESS MINI-GRANTS

A donor to CTD who deeply cares about farmworker issues wants to make Vamos more accessible to more nonprofit groups serving workers. This very generous donor is covering almost the entire cost of the app for ten new organizations that want to join Vamos. Mini-grant recipients will still be asked to contribute a small amount, which can be negotiated with Code the Dream.

HOW TO APPLY

To apply for the 2023-24 Vamos Access Mini-Grants, please fill out the [same form](#) that you use for Vamos registration (tiny.cc/vamosreg), and check the Mini-Grant box where indicated. More questions? Contact vamos@codethedream.org.

Vamos Features Include:

Easily Plan Outreach

Prioritize camps based on last-visited, worker arrival dates, and other organizational priorities.

Build Routes

Share Routes among staff and navigate directly to camps via Vamos mobile app.

Track Visit Notes over Time

Capture all the data you need, look back over past visits, and quickly gather info for reporting.
